GRACE EPISCOPAL CHURCH

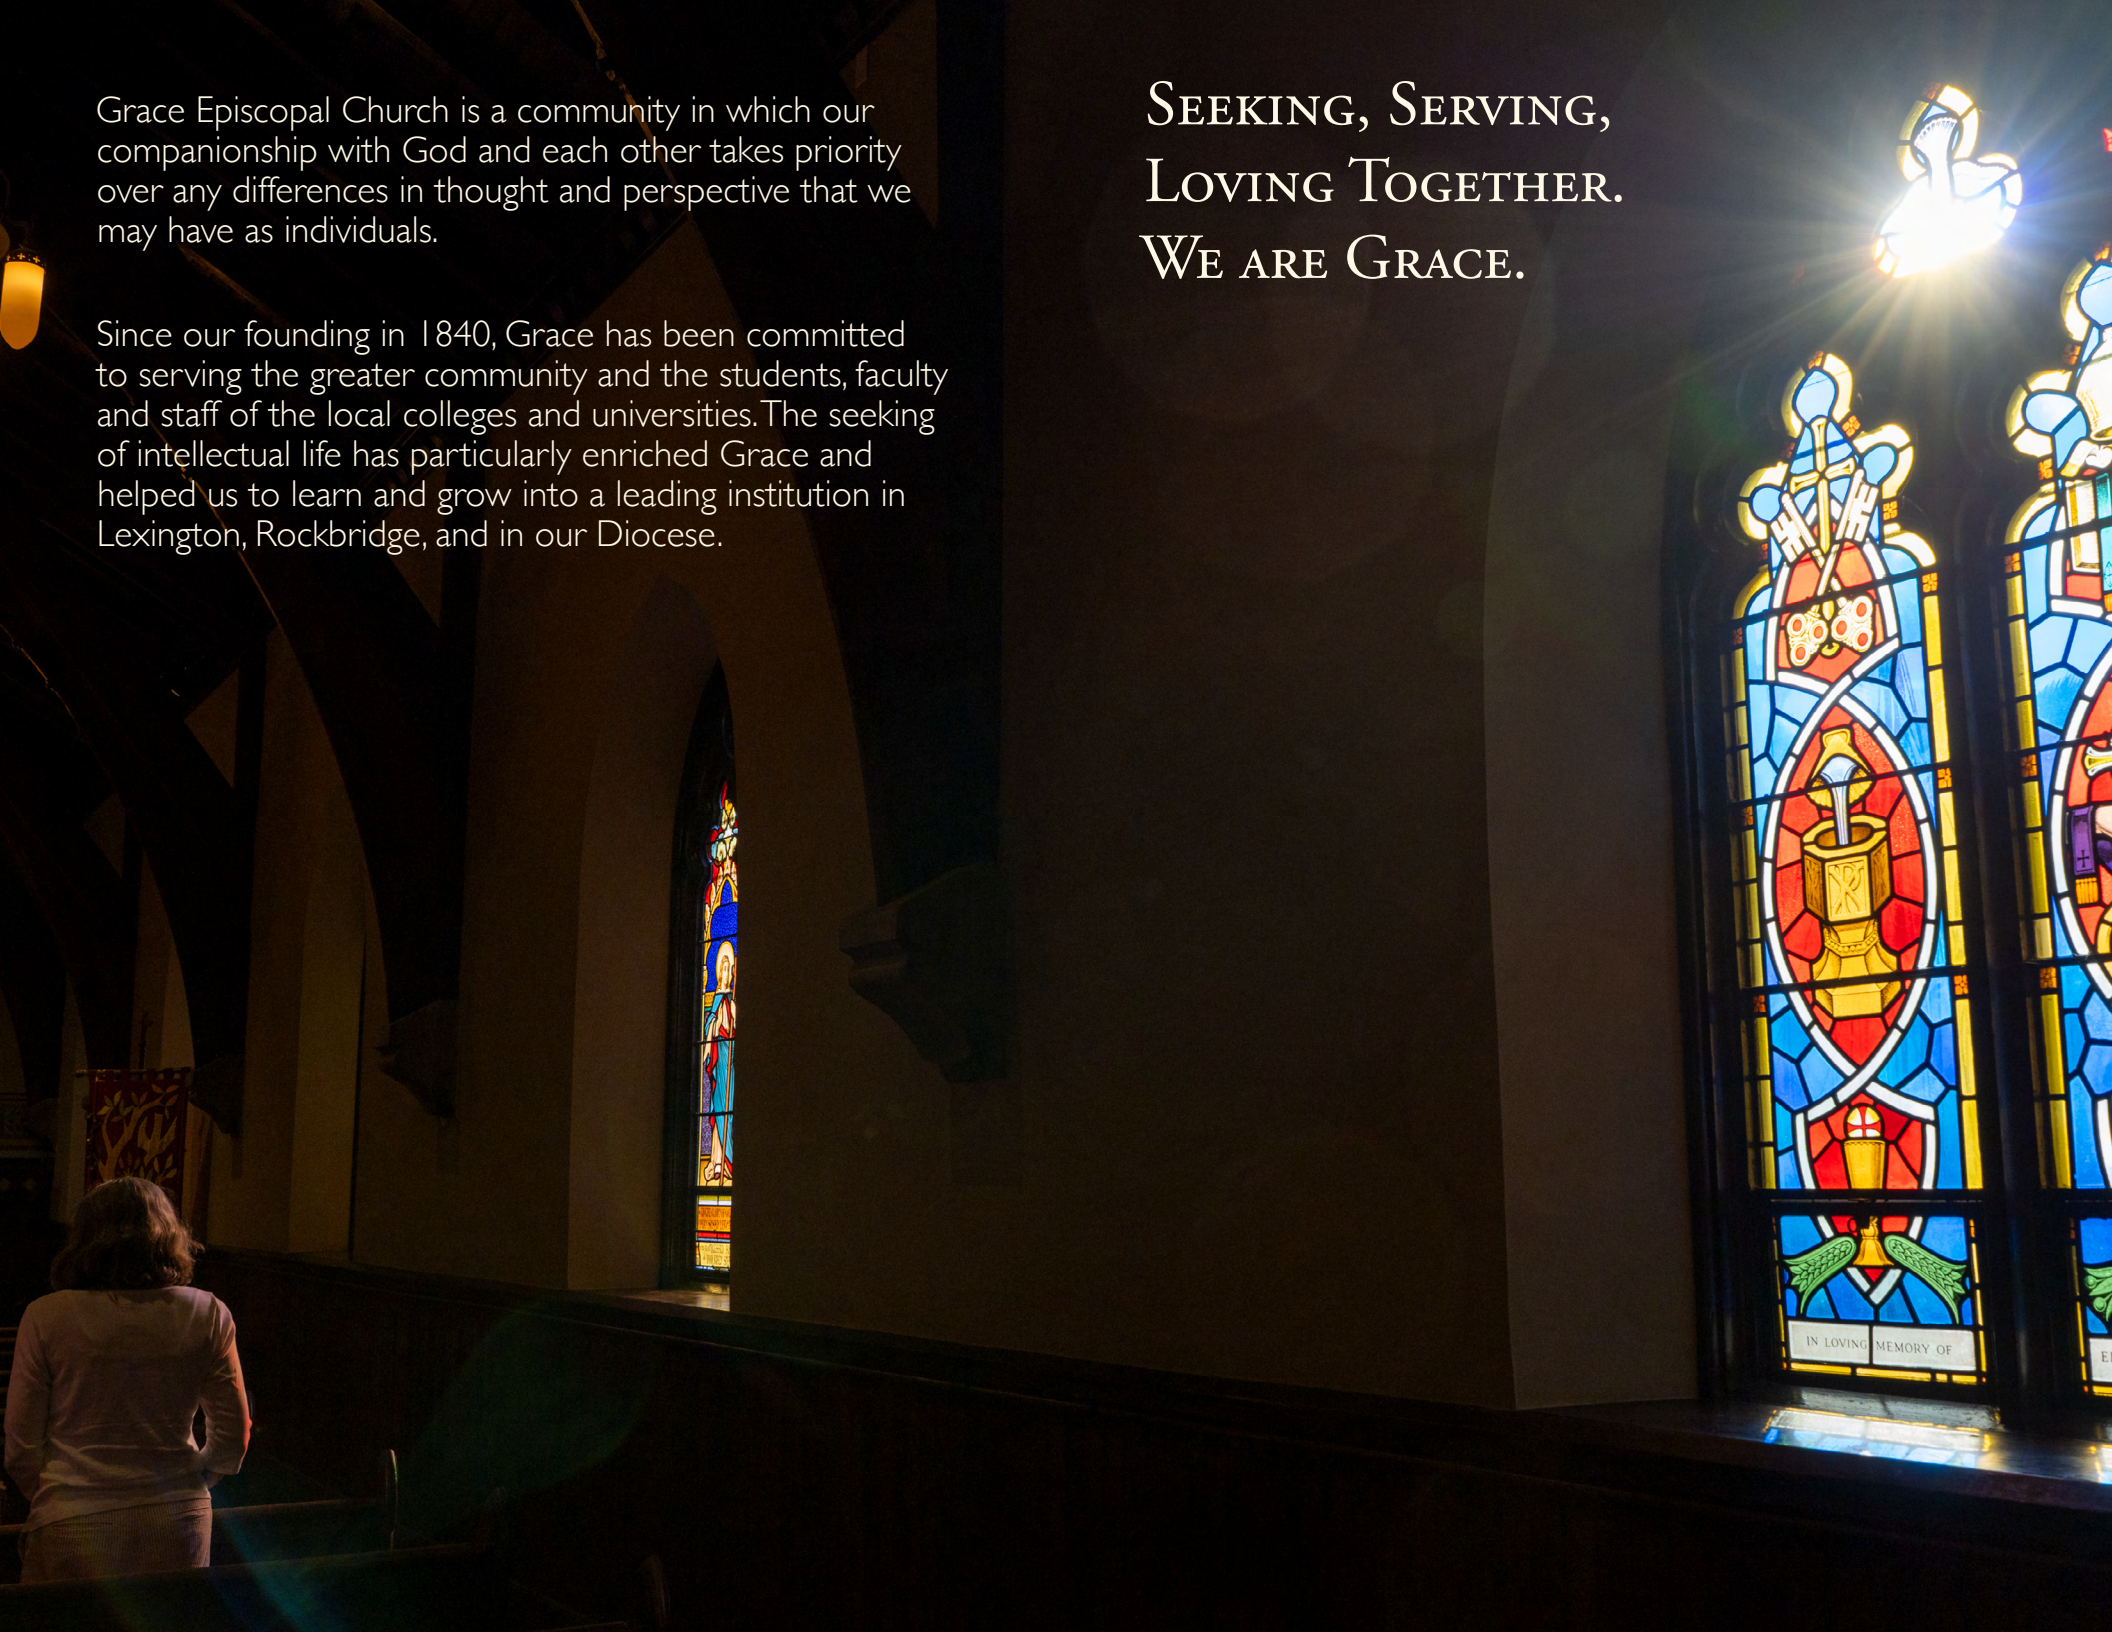

You Are Welcome Here.

Grace Episcopal Church is a community in which our companionship with God and each other takes priority over any differences in thought and perspective that we may have as individuals.

Since our founding in 1840, Grace has been committed to serving the greater community and the students, faculty and staff of the local colleges and universities. The seeking of intellectual life has particularly enriched Grace and helped us to learn and grow into a leading institution in Lexington, Rockbridge, and in our Diocese.

Seeking, Serving, Loving Together. We are Grace.

Outreach

We follow Jesus' call to free the prisoner, feed the hungry, empower the poor, comfort the lonely and dying, and seek racial reconciliation, both in our community and the world.

College Orientation Workshop (COW)

Diocesan Youth

College Ministry

We nurture the spiritual growth of our college students.
We value their participation in every part of our worship.

Fellowship

Our faith and ministry to our community are enhanced by our fellowship with one another.

Our Grace community empowers us to be the hands and feet of Christ in this challenging world. We are inspired by the Holy Spirit to volunteer at local organizations, provide educational opportunities and beautiful music, and welcome community groups to share our space.

For More About Us:

Please join us in this work by offering your generous pledge to the Stewardship Campaign in support of your community of Grace.
